Alcuin School achieved a 100% pass rate for its 2017-2018 IB Diploma Programme. This major milestone puts Alcuin among a few select schools in the U.S. and internationally to achieve this accomplishment.

Our Mission
Alcuin School inspires its students to reach their highest levels of personal and academic achievement, guides them to become compassionate global citizens, and prepares them to embrace challenges with confidence and innovation by providing the ideal Montessori and International Baccalaureate® education.

About Us
For more than 50 years, Alcuin School has continued its tradition of nurturing and guiding children according to the methods of Maria Montessori and the International Baccalaureate® (IB) Programme. Alcuin is an independent nonsectarian, co-educational school serving a diverse community of nearly 600 students from toddler to 12th grade. The school is nestled on a 12-acre campus with a winding creek in North Dallas. A modern gym, state-of-the-art library and classrooms, interactive technology, science labs, organic vegetable gardens, and sports fields, as well as Alcuin’s Innovation Studio and new World Languages and Fine Arts Building, inspire students daily.

Curriculum
The school has a robust selection of IB Diploma Programme courses. As a result, out students have more than 300 possible combinations enabling the creation of individual degree plans which maximize student opportunities, aptitudes and preparation for university.

With 66% of Upper School faculty with advance degrees, students at Alcuin School are eager to embrace change, question the status quo, and prepare for their future as leaders in a global society.
